LEGAL CONDITIONS

The Contractor shall be responsible to comply with all national and international rules and regulations that may be imposed on the mode and/or means of transport selected by the Contractor for the execution of the proposed services, including but not limited to the full and unconditional application of the proper customs clearance formalities in the countries of departure and arrival, as well as in the countries he has chosen to transit through, if and as required by SCS logistics BV. The Contractor shall safeguard the Client against all claims and shall compensate him for his damage, losses and costs that could arise from a breach of the above obligations, even if the breach is attributable to a third party. SCS reserves the right to cancel the transport order at any time free of charge. Only in special occasions a cancelation fee can be discussed with our operations department. SCS Logistics BV acts solely as a freight forwarder. All our activities as a freight forwarder are also subject to the latest version of the Dutch Forwarding Conditions (FENEX) and the General Conditions of SCS Logistics BV, which are available on our website <https://www.scslogistics.com/general-conditions/>
